WELCOME TO LOGAN'S PUNCH

Where is it written nowadays that when you order a drink at a bar, it either has to be served to you by an unsmiling guy in a white tuxedo jacket who seems to stir a drink for twenty minutes or a douche bag with a waxed mustache who only wants to talk about his homemade bitters?

We say, fuck that.

Bars are the last refuge of the tortured soul. Bars are for celebrating and for commiserating; bars are for loud off-key singing in a room full of strangers and dirty jokes whispered behind the clinking of glasses and conspiratorial winks. Bars are your home away from home, the calm in the midst of the storm. It's not about showing off or being pretentious; it's about letting loose with your like minded, booze-soaked brethren!

We are here as a celebration of bars and the inebriated American cocktail spirit. We serve Punches: big glorious bowls of perfectly blended booze that dare you to do anything in moderation. We pour big, we play our music loud and we welcome you with open arms and raised glasses!

We're not a speak easy, we're a speak loudly!

It's going to be a wild ride.

欢迎来到LOGAN'S PUNCH

现在, 请设想一下, 当你在一家酒吧正想点一杯喝的, 这时, 一个穿着燕尾服且不苟言笑的家伙似乎要花将近20分钟的时间来搅拌一杯饮料……或是, 一个鼻孔下面留着两撮儿打蜡小胡须, 样貌很“魂淡”的家伙, 带着一脸的牛逼只想跟你讨论一下他的自制苦酒……

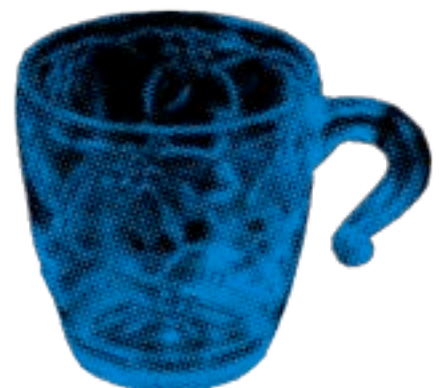

你应该说, 草泥马, 请滚走。

酒吧, 是一个饱受折磨的灵魂最后的避难所。酒吧, 为狂欢, 也为灵魂之间的相互怜悯; 酒吧, 为可以旁若无人高声唱走掉的歌, 也为了在这间充满陌生人和黄色笑话的房间里, 伴随着酒杯破碎的叮当声以及夹杂着心照不宣的阴谋眼色中, 我们依然能够各得其所。酒吧, 是你家外之家, 风暴中平静的港湾。它与炫耀显摆、装腔作势无关, 而是用自己期待的方式去放松, 我们这群被酒精浸透的朋友们!

我们在这里, 作为一个对酒吧文化以及美式鸡尾酒精神的礼赞者, 为你们献上“酒锅”——超大而炫目的玻璃锅, 盛满了完美混合的酒品, 来挑逗你的神经, 挑战你们自制力。虽然我们对酒很挥霍, 我们的音乐声也太大了, 但我们敞开手臂, 举起酒锅, 热情的邀请你加入到我们当中来!

准备好一场狂野的经历吧。

PUNCH DRUNK LOVE

Gin, Fresh Orange, Fresh Grapefruit, Fresh Lemon, Aperol, Soda Water and Dehydrated Fruits all whisper sweet nothings into your glass as you sit back and admire life as it goes by, one twerk at a time. That's right, we wrote twerking on the menu and you know what, I like it when that booty claps. It's a bar.

PSK PUNCH

A shit ton of **Rum, Crème de Mure, Golden Falernum, Fresh Nutmeg,** and **Cranberry Juice** all coalesce into a secret society of boozification. If it weren't for the Phoenix-SK, you'd still be trying to friend Tom on Myspace.

EMPEROR NORTON PUNCH

Not many people know but for a while, San Francisco had an Emperor. It's real; Wikipedia that shit. His name was Emperor Norton I and he used to print his own money. This was back in the day when lunacy was still adorable. I mention this as a segue to the drink description - **Cinnamon, Orange Cream Bitters, Orgeat Syrup, White Cacao, Grapefruit, Earl Grey Tea** and a metric shit ton of **Tequila**.

HOT APPLE PUNCH

I feel like John Mclane, of Die Hard fame, is a whiskey drinker and with this mix of **Bourbon, Apple Juice, Cinnamon, Clove,** and **American Honey Liqueur** he'd have like a few bowls, punch Hans Gruber off a roof top and yell, Yippe KayYay motherfucker...or just blow on it a bit because it's hot

WHAT IS PUNCH?

Punch is a glorious celebration of drinking with friends. Originally from India, punch found its way to the West via the East India Company and British Colonialism. It reached American shores around the 17th century as the original libation, usually served in a large bowl and sipped over hours in a café.

As the times changed and the pace of life quickened, so did the world's drinking habits. The days of George Washington doing body shots of Fish House Punch off Ben Franklin at his inauguration gradually gave way to the age of Dale Degroff's Cosmopolitan and its countless derivatives. Well we say: fuck Dale Degroff and fuck Cosmopolitans. Let's get good and drunk the old fashioned way.

Things to note when drinking Punch – our large Punches can contain a full bottle of hard liquor. When consumed by the glass, they have roughly the same amount of alcohol as a glass of wine, which is to say about 13-16%. So even if it doesn't taste as strong as a glass of whiskey, we assure you that it can knock you flat on the ass.

酒锅是什么？

酒锅，是朋友们聚会喝酒的一种庆祝方式。它最早源于印度，通过东印公司与欧洲。贸易往来而流传到英国，而后，在17世纪，酒锅又以其最初的样貌流传到美国——一个大碗，一帮好友聚在一起慢慢享用。

随着时间的推移，现代人的生活节奏变得越来越快，人们喝酒的方式也随之发生了变化。而现如今，相比曾经的华盛顿时代，飞驰酒锅即使在总统的就职典礼上都如此盛行的日子早已过去，取而代之的却是诸如Dale Degroff的大都会鸡尾酒等等的普及。面对这一切的变化，让我们竖起中指，大声的告诉这个被酒精浸透的世界，“我就要老式经典款！”

需要强调的是，我们的一些大酒锅里盛满的可是一整瓶的烈酒，即使舀出一小杯来，也要相当于一杯红酒的烈度（13%~16%）。所以，千万不要被它清新香甜的味道而蒙骗，我们的酒锅只希望你在品尝美酒的同时，更让你享受着与朋友肆意狂欢的时刻。

NO. 1 NEGRONI

I used to have this recurring dream where I was Superman but also drunk. Like, I was really Superman with a cape and hair coiffed into an S - but as I said: in the dream, I'm drunk. No one believes me in the dream and when I try and prove it to them by flying I just jump in the air and fall on my face. I don't know what that means. I guess it doesn't have anything to do with a Negroni made with **New Deal No1 Gin**, but then again, you never know.

ABOUT

IN THE AGE OF CHAOS, LONG BEFORE
THE CREATION OF THE COCKTAIL
SPIRITUOUS AND AQUEOUS, THICK
AND THIN, SWEET AND SHARP AND
UNCTUOUS WERE ALL TUMBLED
TOGETHER IN ONE UNDIFFERENTIATED
MASS WITHOUT FORM OR ORDER.
THEN FROM THE EAST THERE ROSE
A SUN TO DRY THE WET AND DISTILL
THE LIGHT FROM THE HEAVY. AND
THEN ALL DRINKS BEGAN TO KNOW
THEIR PROPER KINDS AND SUBMIT THE
WILLFULNESS OF THEIR DOING TO THE
CORRECTION OF JUST REASON. THAT
SUN HAD A NAME, AND THAT NAME
WAS PUNCH.
